A New Christmas Classic

The Magical Tale of Santa Dust - A Christmas Tradition, written by Patricia Cardello and illustrated by Manuela Soriani is sure to become a Christmas classic. Each book will be packaged with a pouch of magical Santa Dust similar to The Elf on the Shelf. The Magical Tale of Santa Dust is the magical tale of two small children who, on Christmas Eve, sit by their window eagerly awaiting the arrival of Santa, only to be bypassed on his yearly journey. Save for the antics of a giggling bungling elf - and some magical dust - their Christmas dreams come true. The book will be 8" x 10" in size and 32 pages in length and will retail for approximately \$28.95. For more information, visit www.magicdusts.com.
